

BRIDGING THE GAP VOLUNTEER REGISTRATION FORM

Bridging the Gap connects newcomers leaving treatment with an A.A. member in their neighbourhood and is often the difference between those new to A.A. in finding a home group and not continuing forward with meetings. Many A.A. members can tell you even though they were aware of A.A. they were too fearful to go alone. In order to Bridge the Gap between Facility (treatment or corrections) and A.A., we need volunteers to be *temporary contacts*.
